

event_thread_func

```
graph LR; A[event_thread_func] --> B[cleanup_old_requests]
```

A diagram showing a horizontal flow from left to right. On the left is a gray rectangular box with a black border containing the text 'event_thread_func'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box with a black border on the right. This second box contains the text 'cleanup_old_requests'.

cleanup_old_requests
